

International Business

Aim to exist as one of the global players and be part of globalization, International Business Division of Menjangan Sakti strives to expand in international market and strengthen the cooperation with overseas principals through co-marketing, distribution or under-license activities.

We aim to penetrate actively into the international market through its export activities which includes the products of other subsidiaries in Mensa Group. We are establishing our distribution network to distribute our pharmaceutical products, consumer goods, dental and medical equipments into countries such as: Singapore, Philippine, Malaysia, Myanmar, Papua New Guinea, Taiwan, Hongkong, Ethiopia, Nigeria and some western African countries and many more.
